

ECOBASE

ecoRigid® Cove Base & Flexible Flat Base

Whether you're remodelling or building a new store, office, airport or hospital, the Boston ecoBase offers a variety of cost-effective base molding options that will protect and enhance your walls. It offers ideal impact protection from the damage caused by shopping trolleys, foot traffic and cleaning equipment.

- Material options include heavy-duty ecoRigid® PolyBostylene®, and virgin flexible or rigid vinyl.
- 40-50% thicker than the competition.
- Applies easily to existing walls or cases with adhesive, silicone or double-sided tape; updating is easy and inexpensive too.
- Flexible flat base ships in 100' rolls saving storage space requirements.
- Stock black ships in 24 hours.

ecoRigid Benefits

- Using 100% pvc-free ecoRigid® cove base protects the environment and your investment against unnecessary damage.
- A 100% recyclable, sustainable material.
- RoHS Compliant.
- Free of Chlorine and Bromine hazardous chemicals.
- UL-94HB Fire Rating.
